Sixth Form Pitching Competition

2 0 2 5

Submission

Candidates should submit:

- An analysis of a specific M&A deal (either completed or hypothetical), or
- A stock pitch

Submissions should be a maximum of two A4 pages.

Entries may be from groups of up to five people. These should be sent to cima.soc@outlook.com by 31st October 2025

Do not include names/school in the document, only in the email.

Three groups will be shortlisted by the CIMA Executive Committee to progress to the final round.

Pitches

The 3 finalists will deliver a 10 minute presentation (PowerPoint optional) at Robinson College, Cambridge in **November 2025.**

Lunch will be provided at the college dining hall.

Transport costs will be covered for students from selected postcodes, funded by Robinson College Outreach.

The judging panel will include the Presidents of CIMA and a Managing Director at BNP Paribas, offering finalists the exclusive opportunity to receive professional, industry-standard feedback on their pitches.

Winners

All three finalist groups will be invited to attend a debate at the world-renowned Cambridge Union (general membership normally £350), following their presentations and lunch.

The debate motion will be announced in early October when the Union's term card is released, and will be closely linked to themes from the A Level curriculum. This will provide a rare chance to experience a Cambridge debate first-hand, featuring current students and leading figures from academia, politics, and beyond.
